Document Package for Applicant's/Tenant's Consent to the Release Of Information

This Package contains the following documents:

1. Form HUD-9887/A Fact Sheet describing the necessary verifications
2. Form HUD-9887 (to be signed by the Applicant or Tenant)
3. Form HUD-9887-A (to be signed by the Applicant or Tenant and Housing Owner)4.
- 4 Relevant Verifications (to be signed by the Applicant or Tenant)

Each household must receive a copy of the 9887/A Fact Sheet, form HUD-9887, and form HUD-9887-A.

Verification of Information Provided by Applicants and Tenants of Assisted Housing

What Verification Involves

To receive housing assistance, applicants and tenants who are at least 18 years of age and each family head, spouse, or co-head regardless of age must provide the owner or management agent (O/A) or public housing agency (PHA) with certain information specified by the U.S. Department of Housing and Urban Development (HUD).

To make sure that the assistance is used properly, Federal laws require that the information you provide be verified. This information is verified in two ways:

A. HUD, O/As, and PHAs may verify the information you provide by checking with the records kept by certain public agencies (e.g., Social Security Administration (SSA), State agency that keeps wage and unemployment compensation claim information, and the Department of Health and Human Services' (HHS) National Directory of New Hires (NDNH) database that stores wage, new hires, and unemployment compensation). HUD (only) may verify information covered in your tax returns from the U.S. Internal Revenue Service (IRS). You give your consent to the release of this information by signing form HUD-9887. Only HUD, O/As, and PHAs can receive information authorized by this form.

B. The O/A must verify the information that is used to determine your eligibility and the amount of rent you pay. You give your consent to the release of this information by signing the form HUD-9887, the form HUD-9887-A, and the individual verification and consent forms that apply to you. Federal laws limit the kinds of information the O/A can receive about you. The amount of income you receive helps to determine the amount of rent you will pay. The O/A will verify all of the sources of income that you report. There are certain allowances that reduce the income used in determining tenant rents.

Example: Mrs. Anderson is 62 years old. Her age qualifies her for a medical allowance. Her annual income will be adjusted because of this allowance. Because Mrs. Anderson's medical expenses will help determine the amount of rent she pays, the O/A is required to verify any medical expenses that she reports.

Example: Mr. Harris does not qualify for the medical allowance because he is not at least 62 years of age and he is not handicapped or disabled. Because he is not eligible for the medical allowance, the amount of his medical expenses does not change the amount of rent he pays. Therefore, the O/A cannot ask Mr. Harris anything about his medical expenses and cannot verify with a third party about any medical expenses he has.

Customer Protections

Information received by HUD is protected by the Federal Privacy Act. Information received by the O/A or the PHA is subject to State privacy laws. Employees of HUD, the O/A, and the PHA are subject to penalties for using these consent forms improperly. You do not have to sign the form HUD-9887, the form HUD-9887-A, or the individual verification consent forms when they are given to you at your certification or recertification interview. You may take them home with you to read or to discuss with a third party of your choice. The O/A will give you another date when you can return to sign these forms.

If you cannot read and/or sign a consent form due to a disability, the O/A shall make a reasonable accommodation in accordance with

If an adult member of your household, due to extenuating circumstances, is unable to sign the form HUD-9887 or the individual verification forms on time, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

The O/A must tell you, or a third party which you choose, of the findings made as a result of the O/A verifications authorized by your consent. The O/A must give you the opportunity to contest such findings in accordance with HUD Handbook 4350.3 Rev. 1. However, for information received under the form HUD-9887 or form HUD-9887-A, HUD, the O/A, or the PHA, may inform you of these findings.

O/As must keep tenant files in a location that ensures confidentiality. Any employee of the O/A who fails to keep tenant information confidential is subject to the enforcement provisions of the State Privacy Act and is subject to enforcement actions by HUD. Also, any applicant or tenant affected by negligent disclosure or improper use of information may bring civil action for damages, and seek other relief, as may be appropriate, against the employee.

HUD-9887/A requires the O/A to give each household a copy of the Fact Sheet, and forms HUD-9887, HUD-9887-A along with appropriate individual consent forms. The package you will receive will include the following documents:

1. **HUD-9887/A Fact Sheet:** Describes the requirement to verify information provided by individuals who apply for housing assistance. This fact sheet also describes consumer protections under the verification process.
2. **Form HUD-9887:** Allows the release of information between government agencies.
3. **Form HUD-9887-A:** Describes the requirement of third party verification along with consumer protections.
4. **Individual verification consents:** Used to verify the relevant information provided by applicants/tenants to determine their eligibility and level of benefits.

Consequences for Not Signing the Consent Forms

If you fail to sign the form HUD-9887, the form HUD-9887-A, or the individual verification forms, this may result in your assistance being denied (for applicants) or your assistance being terminated (for tenants). See further explanation on the forms HUD-9887 and 9887-A.

If you are an applicant and are denied assistance for this reason, the O/A must notify you of the reason for your rejection and give you an opportunity to appeal the decision.

If you are a tenant and your assistance is terminated for this reason, the O/A must follow the procedures set out in the Lease. This includes the opportunity for you to meet with the O/A.

Authority for Requiring Applicant's/Tenant's Consent to the Release of Information Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544. In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits. In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly, handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.

Purpose of Requiring Consent to the Release of Information

In signing this consent form, you are authorizing the Owner of the housing project to which you are applying for assistance to request information from a third party about you. HUD requires the housing owner to verify all of the information you provide that affects your eligibility and level of benefits to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct levels. Upon the request of the HUD office or the PHA (as Contract Administrator), the housing Owner may provide HUD or the PHA with the information you have submitted and the information the Owner receives under this consent.

Uses of Information to be Obtained

The individual listed on the verification form may request and receive the information requested by the verification, subject to the limitations of this form. HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The Owner and the PHA are also required to protect the income information they obtain in accordance with any applicable state privacy law. Should the Owner receive information from a third party that is inconsistent with the information you have provided, the Owner is required to notify you in writing identifying the information believed to be incorrect. If this should occur, you will have the opportunity to meet with the Owner to discuss any discrepancies.

Who Must Sign the Consent Form

Each member of your household who is at least 18 years of age, and each family head, spouse or co-head, regardless of age must sign the relevant consent forms at the initial certification, at each recertification and at each interim certification, if applicable. In addition, when new adult members join the household and when members of the household become 18 years of age they must also sign the relevant consent forms.

Persons who apply for or receive assistance under the following programs must sign the relevant consent forms: Rental Assistance Program (RAP)

Failure to Sign the Consent Form

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

Conditions

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circumstances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

Individual consents to the release of information expire 15 months after they are signed. The O/A may use these individual consent forms during the 120 days preceding the certification period. The O/A may also use these forms during the certification period, but only in cases where the O/A receives information indicating that the information you have provided may be incorrect. Other uses are prohibited.

The O/A may not make inquiries into information that is older than 12 months unless he/she has received inconsistent information and has reason to believe that the information that you have supplied is incorrect. If this occurs, the O/A may obtain information within the last 5 years when you have received assistance.

I have read and understand this information on the purposes and uses of information that is verified and consent to the release of information for these purposes and uses.

FACT SHEET

For HUD ASSISTED RESIDENTS Project-Based Section 8 "HOW YOUR RENT IS DETERMINED"

Office of Housing September 2010

This Fact Sheet is a general guide to inform the Owner/Management Agents (OA) and HUD- assisted residents of the responsibilities and rights regarding income disclosure and verification.

Why Determining Income and Rent Correctly is Important

Department of Housing and Urban Development studies show that many resident families pay incorrect rent. The main causes of this problem are:

- * Under-reporting of income by resident families, and
- * OAs not granting exclusions and deductions to which resident families are entitled.
- * OAs and residents all have a responsibility in ensuring that the correct rent is paid.

OAs' Responsibilities:

- * Obtain accurate income information
- * Verify resident income
- * Ensure residents receive the exclusions and deductions to which they are entitled
- * Accurately calculate Tenant Rent
- * Provide tenants a copy of lease agreement and income and rent determinations
- * Recalculate rent when changes in family composition are reported
- * Recalculate rent when resident income decreases
- * Recalculate rent when resident income increases by \$200 or more per month
- * Recalculate rent every 90 days when resident claims minimum rent hardship exemption
- * Provide information on OA policies upon request
- * Notify residents of any changes in requirements or practices for reporting income or determining rent

Residents' Responsibilities:

- * Provide accurate family composition information
- * Report all income
- * Keep copies of papers, forms, and receipts which document income and expenses
- * Report changes in family composition and income occurring between annual recertifications
- * Sign consent forms for income verification
- * Follow lease requirements and house rules

Income Determinations

A family's anticipated gross income determines not only eligibility for assistance, but also determines the rent a family will pay and the subsidy required. The anticipated income, subject to exclusions and deductions the family will receive during the next twelve (12) months, is used to determine the family's rent.

What is Annual Income?

Gross Income - Income Exclusions = Annual Income

What is Adjusted Income?

Determining Tenant Rent

Annual Income - Deductions = Adjusted Income

Project-Based Section 8 Rent Formula:

The rent a family will pay is the **highest** of the following amounts:

- * 30% of the family's monthly *adjusted* income
- * 10% of the family's monthly income
- * Welfare rent or welfare payment from agency to assist family in paying housing costs. OR
- * \$25.00 Minimum Rent

Income and Assets

HUD assisted residents are required to report all income from all sources to the Owner or Agent (OA).

Exclusions to income and deductions are part of the tenant rent process.

When determining the amount of income from assets to be included in annual income, the actual income derived from the assets is included except when the cash value of all of the assets is in excess of \$5,000, then the amount included in annual income is the higher of 2% of the total assets or the actual income derived from the assets.

For the purpose of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.

RHIIP Information Sheet for Tenants Multifamily Project-based Programs

RENTAL HOUSING INTEGRITY IMPROVEMENT PROJECT

June 2004

Office of Multifamily Housing Programs
US Department of Housing and Urban Development

This information sheet provides general information regarding the roles and responsibilities of tenants in the RHIIP initiative. See Multifamily Housing Programs' RHIIP website at:
www.hud.gov/offices/hss/mffi/rhiip/niffrhip.com for additional information.

1. What is RHIIP?

Initiated in 2001, the Rental Housing Integrity Improvement Project (RHIIP) is a department-wide secretarial initiative designed to reduce errors in the administration of the U.S. Department of Housing and Urban Development's (HUD's) rental programs. Its overall goal is to ensure that the "*right benefits go to the right persons*" and to improve the quality and accessibility of subsidized housing for families that need it the most.

2. What has the Office of Multifamily Housing Programs done?

HUD's Office of Multifamily Housing Programs has:

Updated Handbook 4350.3 Rev-1, *Occupancy Requirements of Subsidized Multifamily Housing Programs* so those who use and administer rental assistance have access to current information.

Issued the "Rent and Income Determination Quality Control Monitoring Guide" to provide technical guidance and tools that will help contract administrators (CAs) improve their monitoring activities and bring about the correction of errors in rent.

Trained, and continues to train, HUD staff and contract administrators to help them understand how income and rent are determined and how to perform quality control monitoring reviews.

Developed a RHIIP Brochure and information sheets for owners/agents, tenants, contract administrators, and HUD staff. See the RHIIP Brochure on Multifamily Housing Programs' website at:

www.hud.gov/offices/hsg/mfh/rhiip/mfhrhiip.cfm

Implemented systems and compliance policies to better assure that corrections are made when errors and oversights are discovered.

Distributed information sheets to property owners and rental assistance contract administrators about the Automation Rule to help them understand the requirements for providing current and correct tenant information to the Tenant Rental Assistance Certification System (TRACS).

3. To what types of multifamily properties does RHIIP apply?

RHIIP applies to the following properties:

Project-based Section 8

Section 202/8

Section 202/811 - Project Rental Assistance Contract (PRAC)

Section 202/162 - Project Assistance Contract (PAC)

Section 221 (d)(3) Below Market Interest Rate (BMIR)

Section 236

Rental Assistance Payments (RAP)

Rent Supplement

4. What is my role in the RHIIP initiative?

Pay rent on time and in full.

Provide current and accurate income and expense information at certification/ recertification.

RHIIP Website

www.hud.gov/offices/hsg/mfh/rhiip/mfhrhiip.cfm

Report changes in income, benefits, and family composition.

Know and follow the rules at your assisted property.

Be aware of allowable exclusions and deductions that will benefit you and your family. See "How Your Rent is Determined" fact sheets at: www.hud.gov/offices/hsg/mfh/rhiiip/mfhrhiiip.cfm.

Contact your property owner/agent regarding questions on how your rent is calculated and documented.

5. Why do I have to provide information about my income and family composition annually?

HUD requires you to report this information at least annually in order to determine the amount that you are eligible to receive in rental assistance. The amount you pay in rent is based on your family's income and composition. So, if your family's income or composition changes, your rent may also change. This is why it is so important for you to report these changes when they occur. By keeping us informed of changes in income and family composition, we can better assure that you are paying the correct amount in rent. Correct rent calculation will allow us to serve as many people as possible.

6. Do owners keep a record of changes in my income, family composition, and rent?

Yes. Property owners/agents are required to certify that they are in compliance with HUD's tenant eligibility and rent procedures by sending tenant data (i.e. 50059 data) to a HUD computer system (TRACS). The data includes tenant characteristics information (e.g., family income, composition, and rent), which must remain current and accurate. In the event you leave the property, your tenant data will be kept on file for at least three years thereafter.

7. Is my property owner required to provide me with a copy of this documentation?

Yes. You have a right to review and receive a copy of your tenant characteristics data (50059 data requirements). You should receive a copy of your 50059 data requirements when you move in, when you re-certify, and upon your request. See your property owner/agent for a printout of your 50059 data.

8. Where can I find information on how my rent is determined and the rules governing my owner's property?

Fact sheets for each subsidized housing program that answer the question of "How your Rent Is Determined" are found on Multifamily Housing Programs' RHIP website at: <http://www.hud.gov/offices/hsg/mfh/rhiiip/mfhrhiiip.cfm>.

The Handbook 4350.3 - Rev. 1, which governs HUD-subsidized multifamily housing projects, can be found by visiting www.hudcliDS.org. See the "Handbook Summary for Tenants," located on the Multifamily Housing Programs RHIP website

at: www.hud.gov/offices/hsg/mfh/rhiiip/mfhrhiiip.cfm.

which highlights key program requirements that directly affect tenants.

9. What can I do, or whom can I contact, if I believe my income or rent is not being determined correctly?

To discuss or resolve concerns about how your rent is determined, you should contact your property owner/agent. If you need further assistance, you may contact the contract administrator of the property; and if a resolution is not reached, HUD. For help locating the nearest HUD field office, please call the Multifamily Housing Clearinghouse at: 1-800-685-8470.

10. How can I use the various information sheets and the brochure to help meet the RHIP goal?

The information sheets and the brochure can be:

Given to other tenants to make them aware of their role in HUD's initiative to ensure that the right benefits go to the right person.

Used as a handout at tenant meetings and conferences regarding HUD program requirements.

Used as a reference for resource materials, and understanding the initiative, HUD program requirements, and your role in improving income integrity.

What you need to know about

Bed Bugs

SOUTHERN NEVADA HEALTH DISTRICT

What are bed bugs?

Bed bugs are small wingless insects that feed on the blood of warm-blooded animals, such as humans, birds, rodents, bats and pets.

Young bed bugs are about the size of a poppy seed and adults are about quarter of an inch in length. Their bodies are oval and flat, and their color ranges from nearly white (after molting) to deep brown (after feeding).

Bed bugs come out at night to feed and live in cracks and crevices.

Do bed bugs spread disease?

Bed bugs are not known to spread disease.

Bed bugs inject a small amount of saliva into the skin while feeding. An allergic reaction to the saliva may cause the area around the bite to become swollen and itchy. Do not scratch bites, as this may worsen the irritation and itching and may lead to a secondary infection.

Why are bed bugs resurging?

International travel and changes in modern pest control practices are believed to be responsible for the resurgence of bed bugs in the United States.

Bed bugs are common in Asia, Africa, Central and South America and Europe. With the growth of international travel, bed bug infestations are steadily increasing. Since most people of this generation have never seen a bed bug, they are more likely to bring bed bugs home with them in luggage and clothes.

In the 1940s and '50s, the pesticide DDT was liberally used in homes to fight insect infestation. With the ban on DDT in the '70s pest control methods changed from elimination to repellent and baits. These changes make it easy for bed bugs to avoid most pest control methods.

How can I avoid bedbugs while traveling?

Check for bed bugs right after entering your hotel room.

- VIII. Place luggage on the luggage rack. The metal or plastic legs of the luggage rack make it hard for bed bugs to get into your suitcase.
- IX. Keep luggage rack away from walls.
- X. Check the mattress and headboard for signs of bed bugs.
- XI. Pull sheets back and check for dark brown spots on the mattress.
- XII. Check crevices and creases of mattress for shed skin, live insects or fecal matter.

What if I think my hotel room has bed bugs?

Most good hotels have a plan in place to deal with bed bug infestations. If you believe a room is infested with bed bugs, notify the front desk immediately. You will most likely be moved to another room.

Notify the Southern Nevada Health District's Environmental Health Division at (702) 759-0588 to report the infestation.

To prevent bringing the bed bugs with you to the new room, have clothes washed in hot water and dried in a commercial dryer for one hour and store luggage in a sealed plastic bag.

How do I prevent bringing bed bugs home with me?

If you have visited a dwelling infested with bed bugs, the following procedures will help prevent you from bringing the pests

home.

- XIII. Wash all clothing in 120°F water and use a machine dryer set on hot before or as soon as the clothing is brought back into the home.
- XIV. Suitcases should be carefully inspected, scrubbed with a stiff brush, and thoroughly vacuumed.
- XV. Seal the luggage in a plastic bag for several months to prevent bed bugs from feeding, and they will eventually die. Bed bugs can live several months without a blood meal.
- XVI. **Leaving luggage for several hours in a closed vehicle in full summer sun may also kill bed bugs and eggs.**

What if I think my home has bed bugs?

Several different kinds of insects resemble bed bugs, so any bugs found in your home should be carefully compared to pictures to confirm their identify. A pest control expert or entomologist can also accurately identify the insects you collect.

Once you have confirmed the presence of bed bugs, devise a plan to rid them from your home. There are several things you can do to rid bed bugs from your home:

- XVII. Reduce clutter to reduce hiding spaces for bed bugs.
- XVIII. Thoroughly clean all rooms.
- XIX. Scrub infested surfaces with a stiff brush to dislodge eggs.
- XX. Dismantle bed frames to find hiding places.
- XXI. Remove drawers from furniture and turn furniture over, if possible.
- XXII. Use a powerful vacuum to remove bed bugs from cracks and crevices.
- XXIII. Seal used vacuum bags in a plastic bag and place in the outside trash.
- XXIV. Steam clean carpets to kill bugs and eggs that the vacuum missed.
- XXV. Encase mattresses and box springs within special mattress bags.
- XXVI. Seal any holes in mattress bags with permanent tape.
- XXVII. Pull bed frame away from the wall.
- XXVIII. Tuck in sheets and blankets so they don't touch the floor.
- XXIX. Place the bed frame legs into dishes or cups of mineral oil (bed bugs cannot crawl up slick surfaces).
- XXX. Caulk and seal all holes where pipes and wires penetrate walls and the floor.
- XXXI. Fill cracks around baseboards and cove molding.
- XXXII. Clean behind picture frames, switch plates and outlets, and inside clocks, phones, televisions and smoke detectors.
- XXXIII. Infested bedding and garments must be bagged and washed in a minimum temperature of 120°F and dried in a machine dryer set on hot for at least one hour.
- XXXIV. Individual items can be wrapped in plastic and placed in a hot, sunny location for at least a few days or in cold temperature (below 32°F) for at least two weeks.

QUICK FACTS

- XXXV. **A single, pregnant female bed bug can start an infestation.**
- XXXVI. **Bed bugs hate light, so if you can't change rooms, sleep with the light on.**
- XXXVII. **Bed bugs can go months without food.**
- XXXVIII. **Bed bugs can survive 120°F temperature for several days.**
- XXXIX. **Bed bugs can survive freezing temperatures for several weeks.**
- XXXX. **Bed bug eggs are very sticky and difficult to remove, making them efficient hitchhikers.**
- XXXXI. Contact a pest control company.
- XXXXII. Verify the company has experience with bed bugs.
- XXXXIII. Ask for references of customers who had bed bug infestations.
- XXXXIV. Insecticides must be applied in all cracks and crevices where the bugs are discovered or tend to hide.

How did bed bugs get into my home?

Bed bugs come out at night and hide in the presence of light. Their size and shape make it easy for them to hide:

- XXXXV. In the folds and creases of bed linens
- XXXXVI. In seams and tufts of mattresses and box springs
- XXXXVII. Within pleats of curtains

XXXXVIII. Beneath loose areas of wallpaper

XXXXIX. In corners of desks and dressers

L. Within spaces of wicker furniture

LI. In laundry

LII. In the space between the carpet and baseboard

Bed bugs are efficient hitchhikers and are usually transported home on luggage, clothing, beds, furniture, etc. Travelers returning from countries where bed bugs are common bring bed bugs home in their luggage or clothes. Buying secondhand furniture is another way bed bugs can enter your home.

The cleanliness of the dwelling has little to do with the level of bed bug infestation. Bed bugs will thrive in any location where there are warm-blooded hosts and plenty of hiding places.

What are the rights and obligations of tenants and landlords?

RENTERS: Landlords and property owners have an obligation to provide safe and habitable accommodations for tenants. Tenants have an obligation to cooperate with owners and landlords. This includes preparing the home so that the pest control operator can easily inspect the rooms and treat if necessary.

LANDLORDS: Landlords and property owners have an obligation to provide safe and habitable accommodations for tenants. Bed bug infestations can be considered unacceptable conditions.

Because bed bugs can live for months without feeding, they may be present in clean and vacant homes. Bed bugs can move between apartments through voids in walls and holes through which wires and pipes pass.

For more information on the rights and obligations of tenants and landlords, visit the Nevada Revised Statutes Chapter 118A-Landlord and Tenant: Dwellings webpage at <http://www.leg.state.nv.us/NRS/NRS-118A.html>.
